- (g) the Subscriber is not, and will not by virtue of the purchase of the Units become, a "**control person**" within the meaning of applicable securities laws and does not intend to act in concert with any other person to form a "**control group**" of the Trust; and

The Subscriber's decision to subscribe for the Units was based solely on this Agreement, including the appendices, schedules and exhibits attached hereto, and information about the Trust which is publicly available; and
- (j) the Subscriber acknowledges that:
 - (i) no securities commission or similar regulatory authority has reviewed or passed on the merits of the Units, there is no government or other insurance covering the Units and there are risks associated with the purchase of the Units; and
 - (ii) the Trust has advised the Subscriber that the Trust is relying on an exemption from the requirements of applicable securities laws (including the *Securities Act* (Alberta)) to provide the Subscriber with a prospectus and, as a consequence of acquiring the Units pursuant to this exemption, certain protections, rights and remedies provided by applicable securities laws (including the *Securities Act* (Alberta)), including statutory rights of rescission or damages, may not be available to the Subscriber; and
 - (iii) there are restrictions on the Subscriber's ability to resell the Units, and it is the responsibility of the Subscriber to find out what those restrictions are and to comply with them before selling the Units; and
 - (iv) the Trust is not (nor does the Trust intend on becoming nor does the Trust have any obligation to become) a "reporting issuer" (or equivalent) in any jurisdiction and, as a result, the applicable hold period on the Units may never expire; and
 - (v) there is no market for the Units and there may never be a market for the Units; and
- (k) the Subscriber acknowledges that the Units cannot be assigned, transferred or conveyed without the prior written consent of the Trust, and the Subscriber covenants and agrees that it will not transfer, assign or convey the Units without the prior written consent of the Trust; and

- (m) the Subscriber acknowledges that any certificates or other documents representing the Units will bear all legends required by applicable securities laws (if any); and
- (n) no person has made to the Subscriber any written or oral representation:
 - (i) that any person will resell or repurchase the Units;
 - (ii) that any person will refund the Subscription Amount;
 - (iii) as to the future price or value of the Units;
 - (iv) that the Trust is or will become a "reporting issuer" (within the meaning of applicable securities laws) in any jurisdiction; or

- (v) that any securities of the Trust, including the Units, will be listed and posted for trading on a stock exchange, or that an application has been made to list and post the Trust's securities for trading on a stock exchange; and
- (o) the Subscriber is not a "**non-resident**" as defined in the *Income Tax Act* (Canada); and

- (q) the Subscriber will not by virtue of the purchase of the Units cause the Trust to become a "SIFT trust" as defined in Subsection 122.1(1) of the *Income Tax Act* (Canada), and the Subscriber will not take any action or do anything that might cause the Trust to become a "SIFT trust" as defined in Subsection 122.1(1) of the *Income Tax Act* (Canada). The most common ways a Subscriber would fall offside this provision would be if the Subscriber is listed or traded on a stock exchange or other public market, and interests or shares in the Subscriber have rights which may reasonably be considered to replicate a return on, or the value of, a Unit in the Trust. If a Subscriber has any doubt on this point, it is encouraged to consult its own legal advisors; and
- (r) if the Subscriber is a "registered plan" within the meaning of Section 207.01 of the *Income Tax Act* (Canada):
 - (i) the Subscriber does not, and will not at any time after the purchase of the Units, hold, whether alone or in aggregate with the "controlling individual" (as defined in Section 207.01 of the *Income Tax Act* (Canada)) of such registered plan and all persons and partnerships who are not dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)) with such controlling individual, an aggregate of 10% or more of the issued and outstanding Units; and
 - (ii) the Subscriber is dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)) with the Trust; and
- (p) the Subscriber is knowledgeable and/or experienced in business and financial matters, is capable of evaluating the merits and risks of an investment in the Units and is capable of bearing the economic loss of the investment; and
- (s) the Subscriber acknowledges that it has been encouraged to consult its own advisors (including, but not limited to, with respect to legal, income tax and investment advice) as it considers appropriate in connection with its subscription for the Units, the execution and delivery of, and the performance of its obligations under, this Agreement and with respect to restrictions on trading in the Units imposed by applicable securities laws and, accordingly, has had the opportunity to acquire an understanding of the meanings of all terms contained herein relevant to the Subscriber for purposes of the acknowledgements, representations, warranties and covenants under this Agreement; and
- (t) the Subscriber has been independently advised of or acknowledges that it is aware of the potential tax consequences to the Subscriber with respect to the Units, including without limitation in respect of its acquisition of the Units, and confirms that no representation has been made to the Subscriber by or on behalf of the Trust with respect thereto; and
- (u) the Subscriber acknowledges that the Trust's counsel is acting as counsel to the Trust and not as counsel to the Subscriber; and
- (v) there is no person acting or purporting to act in connection with the transactions contemplated herein who is entitled to any brokerage or finder's fee. If any person establishes a claim that any fee or other compensation is payable in connection with this subscription for the Units, the Subscriber covenants to indemnify and hold harmless the Trust with respect thereto and with respect to all costs reasonably incurred in the defense thereof; and

- (w) the Subscriber acknowledges and agrees that the Trust may make any and all filings or disclosures required by applicable securities laws with any regulatory authority with respect to this Agreement and the transactions contemplated hereby; and
- (x) if required by applicable securities laws or any regulatory authority, the Subscriber will execute, deliver, file and otherwise assist the Trust in filing such reports, undertakings and other documents with respect to the issue and sale of the Units as may be required; and
- (y) the Subscriber is not a U.S. Person or a person in the United States and it is not subscribing for the Units on behalf of, or for the account of, a U.S. Person or a person in the United States or for resale in the United States or to a U.S. Person and the Subscriber confirms that the Units have not been offered to the Subscriber in the United States and that this Agreement has not been signed in the United States; and
- (z) the Subscriber is aware that the Units have not been and will not be registered under the 1933 Act or the securities laws of any state in the United States, and that the Units may not be offered or sold, directly or indirectly, in the United States without registration under the 1933 Act or compliance with requirements of an exemption from registration and the applicable laws of all applicable states, and acknowledges that the Trust has no present intention of filing a registration statement under the 1933 Act in respect of the Units; and
- (aa) the Subscriber undertakes and agrees that it will not offer or sell the Units in the United States or to a U.S. Person unless such securities are registered under the 1933 Act and the securities laws of all applicable states of the United States or an exemption from such registration requirements is available, and further that the Subscriber will not resell the Units except in accordance with the provisions of applicable securities laws; and
- (bb) the Subscriber was not created and is not being used primarily for the purpose of purchasing the Units; and
- (cc) the Subscriber acknowledges that the Trust may complete additional financings in the future, that there is no assurance that such financings will be available and, if available, on reasonable terms, that any future financings may have a dilutive effect on unitholders, including the Subscriber, and, that if such future financings are not available, the Trust may be unable to fund its ongoing development and the lack of capital resources may result in the failure of its business venture.

You are buying Exempt Market Securities

They are called *exempt market securities* because two parts of securities law do not apply to them. If an issuer wants to sell *exempt market securities* to you:

- the issuer does not have to give you a prospectus (a document that describes the investment in detail and gives you some legal protections), and
- the securities do not have to be sold by an investment dealer registered with a securities regulatory authority or regulator.

There are restrictions on your ability to resell *exempt market securities*. *Exempt market securities* are more risky than other securities.

You may not receive any written information about the issuer or its business

If you have any questions about the issuer or its business, ask for written clarification before you purchase the securities. You should consult your own professional advisers before investing in the securities.

You will not receive advice

Unless you consult your own professional advisers, you will not get professional advice about whether the investment is suitable for you.

The issuer of your securities is a non-reporting issuer

A *non-reporting issuer* does not have to publish financial information or notify the public of changes in its business. You may not receive ongoing information about this issuer. You can only sell the securities of a non-reporting issuer in very limited circumstances. You may never be able to sell these securities.

The securities you are buying are not listed

The securities you are buying are not listed on any stock exchange, and they may never be listed. There may be no market for these securities. You may never be able to sell these securities.

For more information on the exempt market, refer to the Saskatchewan Financial Services Commission's website at <http://www.sfsc.gov.sk.ca>.

[Instruction: The purchaser must sign 2 copies of this form. The purchaser and the issuer must each receive a signed copy.]
